

# List of Continental Meetings

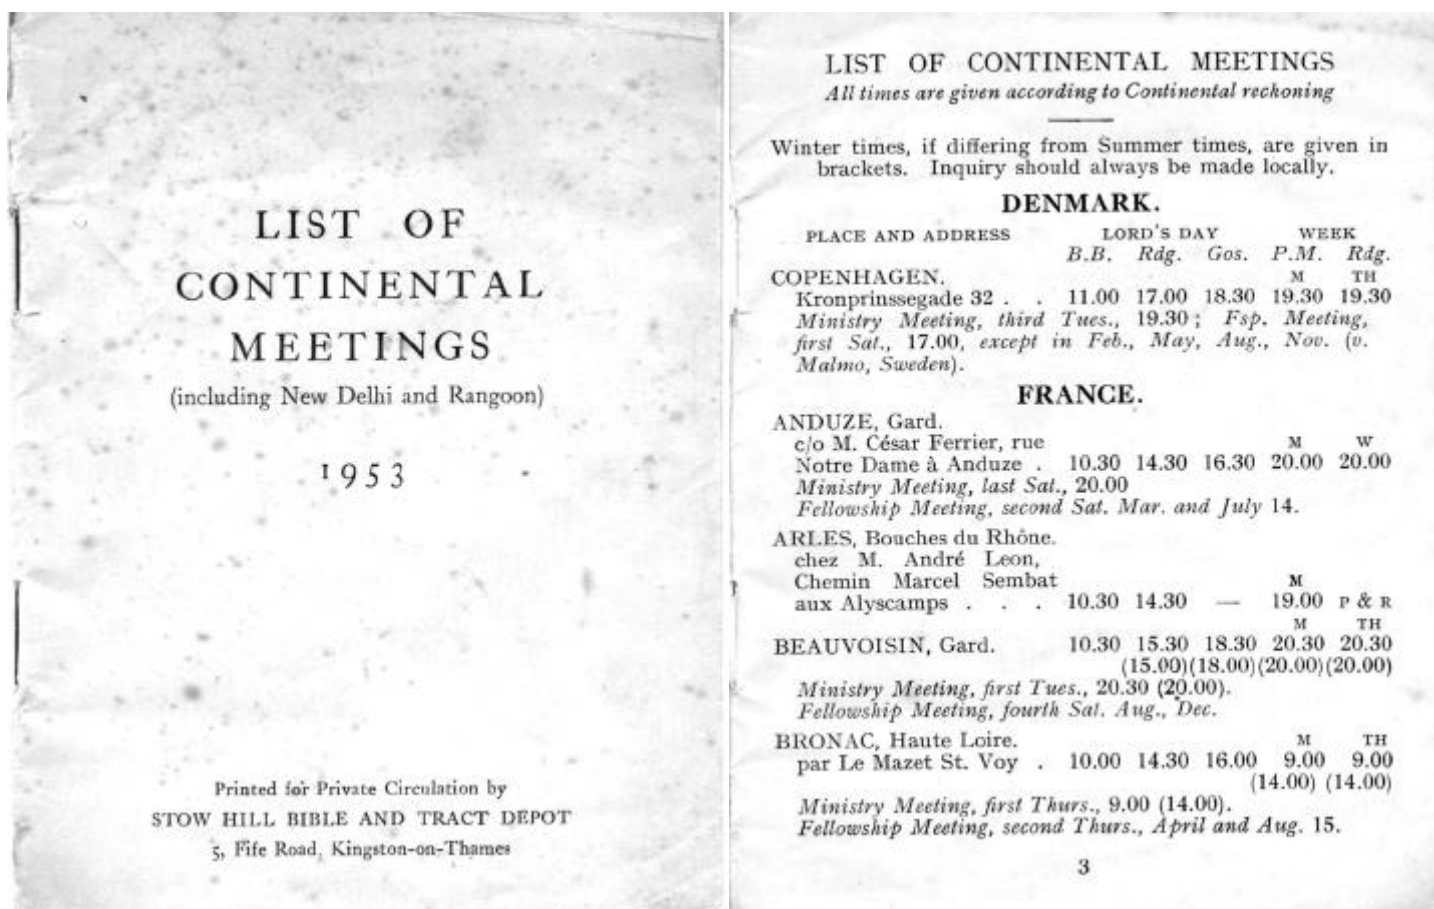

(including New Delhi and Rangoon)

## 1953

This is a set of scanned page images of a booklet compiled by W. H. Trowbridge of Loughborough in 1953 giving the addresses of the Exclusive Brethren meeting rooms in Denmark, France, Germany, Holland, Italy, Norway, Spain, Sweden, Switzerland, India and Burma, and the days and times of the meetings held in each place.

The original copy of the booklet will be deposited in the John Rylands Library, University of Manchester.

The branch of Brethrenism that it refers to is the branch that followed J. N. Darby in the 1848, 1881 and 1884 schisms, J. B. Stoney in the 1885 schism, F. E. Raven in the 1889 and 1902 schisms, and James Taylor Senior in 1920 and 1929.
